Date _____

Pharmacy Technology Certificate

ICCB Code: **2074**

Pharmacy Technology is a selective admissions program. The application period is from January 15 through March 15 for fall admission. Students must submit a counselor-signed advisement plan to the Health Professions office during the application period. Advisement plans can be downloaded on the Pharmacy Technology section on the Health Professions page (www.richland.edu/health) on the Richland web site.

Eligible students are admitted to the program on a first come, first serve basis. The first 10 qualified students to apply will be extended admission to the program. Late applications will be accepted and reviewed until class enrollment is full.

The program sequence begins in the fall semester and is conducted over two semesters

Prerequisite:

Meet the eligibility requirements for admission to the College.

Eligible for English 101 and Math 091 as demonstrated by completed coursework with a grade of "C" or better **or** course placement test results.
