

Practical Nursing Program Worksheet

Health Professions | Current as of Fall 2019
Richland Community College | One College Park | Decatur, Illinois 62521

Student's Name _____ Student's ID Number _____ Counselor _____

Directions: Students use this form to plan their coursework and determine if prerequisites to apply are met. The Practical Nursing Program follows the Health Profession selective admissions process. Students use the online Pre-Advisement Plan on myRichland to submit an application during the designated application period. Students must check their email to verify completion of the application.

Prerequisites to Apply

____ GED/HS Diploma ____ ENGL 101 Eligibility

Math Requirement (Check one that applies)

____ Eligibility for MATH 110 or 113 OR ____ Completion of Math 099 with a "C" or better

PSYCH 110

____ Completed with a "C" or better

Biology Requirement (Check one that applies)

____ Successful completion of two years of high school biology and one year of high school chemistry or physics within the last three years with a "B" or better in each course

____ BIOL 101 with a "C" or better. Students who have completed BIOL 201 or 202 must have completed one within the last five years

Certified Nurse Assistant Requirement (Check one that applies)

____ Placement on the IDPH Health Care Worker Registry in good standing with active certification as a CNA

____ Evidence of current enrollment in an IDPH accredited program with a test date prior to the start of the semester for which student is applying

PN Program GPA* (All conditions must apply)

____ Must be at least 2.5 (Use Program GPA Calculator below)

____ All prerequisites and program courses are completed with a "C" or better

*For admission, the Program GPA is calculated using the grades and credits earned in any completed PN program course taken before admission (see courses below). Transfer and Richland credits are used in calculating the Program GPA. All students seeking admission must earn a grade of "C" or above in all prerequisite and program courses and a Program GPA

Program GPA Calculator: Multiply the grade earned in the course (A=4, B=3, C=2, D=1, F=0) by the course credit hours to produce the Quality Points. Add the total Quality Points and divide by the number of total credit hours completed.

BIOL 201	_____ x 4 = _____
BIOL 202	_____ x 4 = _____
ENGL 110 (or ENGL 101)	_____ x 3 = _____
PSYCH 145	_____ x 3 = _____

Program GPA = $\frac{\text{Total Quality Points}}{\text{Total Credit Hours}}$

Graduation Requirements:

- Student must meet all RCC graduation requirements. See catalog.
- Obtain a grade of "C" or better in all prerequisites and program courses.
- Maintain a minimum 2.5 Program GPA.
- Meet standards for the ANA Code of Ethics and the Integrity Policy.
