Selective Admission Ranking Information

Eligible applicants are competitively ranked based primarily on demonstrated academic achievement and preparation for the Radiography curriculum.

Academic Performance

Category	Point Values
RADT 101 Final Score	96–100 = 8 · 92–95 = 6 · 88–91 = 4 · 84–87 = 2 · 76–83 = 0
RADT 101 PPP	100 = 2 · 90–95 = 1 · Below 90 = 0
BIOL 201	A = 3 · B = 2 · C = 1
BIOL 202	A = 3 · B = 2 · C = 1 · D = 0
ENGL 101	A = 2 · B = 1 · C = 0 · D = -1
PHYS 100	A = 2 · B = 1 · C = 0 · D = -1
Course Repeat (RADT 101, BIOL 201)	-1 each maximum

Courses in progress at the March 1 application deadline do not receive ranking points.

Additional Preparation

Category	Points
ACT/SAT	ACT ≥21 or SAT ≥980 = +1
Previous Degree	Associate = +1 · Bachelor's = +2 · Master's or higher = +3
Healthcare Certification/Credential	+1 each; maximum +2
Military College Credit	+1

Previous-degree points are based on the highest degree earned only. Degrees, healthcare credentials, ACT/SAT scores, and military college credit must be documented with Richland Community College.

Important

Meeting eligibility requirements does **not** guarantee admission. Applicants are ranked using information available at the application deadline. Students are encouraged to complete as much Radiography degree coursework as possible before applying. **Strong performance in completed coursework can improve competitive ranking and reduce the academic course load after admission.**
